QUICK FACTS

Our utility bills and other monthly expenses can cost up to \$11,500 each month!

Our historic building has been around since the 1920s! It continues to take many repairs to keep everything maintained.

Our "Feeding Our Friends" mission fund has especially grown. We established it in January 2023 with \$500 and have collected and utilized \$11,120 since then.

24% of people in East Lake live below the poverty line, and 44% have a household income under \$25,000.

\$6 funds a snack bag for a hungry person in our community. \$40 sponsors a scholarship for someone to participate in a discipleship group. \$400 funds an entire holiday party for neighborhood kids.
